The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school regardless of schedule or form of payment, cash pay, or Title IV HEA Program funds*. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

The institution operates all programs according to the following academic year: 900 clock hours to be completed in 26 academic weeks. Students are evaluated for Satisfactory Academic Progress **based on actual clock hours** as follows:

Program Name	Length in Clock Hours	Evaluation Points (Actual Hours) Academic Weeks (Scheduled Weeks)
Barber	1800	450hrs/13wks; 900hrs/26wks; 1350hrs/39wks
Cosmetology Crossover	1000	450hrs/13wks; 900hrs/26wks

* Transfer Students – Midpoint of the contracted hours or the established evaluation periods, whichever comes first. The institution shall evaluate students' (academic and attendance) Satisfactory Academic Progress at the conclusion of each evaluation period on a cumulative basis. All evaluations will be completed within seven (7) school business days following each established evaluation period. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint of the academic year or course and/or program whichever occurs sooner. All periods of enrollment are included in the SAP calculation for Title IV* eligibility and otherwise.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Barber (Full time, 35 hrs/wk) - 1800 Hours	74 Weeks	2574
Barber (Full time, 25 hrs/wk) - 1800 Hours	103 Weeks	2574
Barber Crossover (Full time, 35 hrs/wk) – 1000 Hours	41 Weeks	1430
Barber Crossover (Full time, 25 hrs/wk) – 1000 Hours	58 Weeks	1430

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 70% of the scheduled hours. Students who exceed the maximum time frame may continue on a cash pay basis or will be terminated if payment cannot be made.

All courses offered by the institution are clock hour programs and all students attend on a continuous basis. Therefore, we do not offer term or credit hour based programs. Enrollment is based on one period of continuous enrollment which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds*. The period of enrollment includes, fall, winter, spring, and summer, as applicable to the student's enrollment agreement.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Students must pass a final written and practical exam for the applicable course prior to graduation. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

- 90% - 100% = A (Excellent)
- 80% - 89% = B (Very Good)
- 75% - 79% = C (Satisfactory)
- 0% - 74% = F (Unsatisfactory/ Failing)

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements of a 75% for academics and 70% for attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV, HEA Program funds* interrupted, as applicable, unless the student is on warning.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, your Title IV, HEA program funds*, as applicable, will be interrupted and you will be responsible for payment of all tuition balances. You will then be required to bring your grades and/or attendance up to satisfactory levels in order to have financial aid reinstated.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV, HEA Program funds*, as applicable, by meeting minimum attendance and academic requirements at the next scheduled evaluation. Students can make up hours during course times the student is not normally scheduled for attendance. Students may begin attending makeup hours as they are needed.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

Leaves of absence do not apply to this institution. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a

student is considering pursuit of a second program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program SAP will no longer apply.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours from other institutions will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluations periods are based on actual contracted hours at the institution.

***The school is not yet approved to offer Title IV HEA Program funds.**
